Dear Ms. Bender,

I am writing this letter in concern to the proposed changes to Dog Law Act 225 which was issued on December 16th, 2006. I am writing to you, as the director. I am angered over the proposal, and how it has been handled under the table. There is no indication or link to this on the PA Department of Agriculture website, no letters were sent to current kennel owners. I haven't witnessed any newspaper bulletins. I am a K1 kennel owner. In fact, thanks to The American Kennel Club (AKC), The American Canine Association (ACA), and The Pennsylvania Federation of Dog Clubs that I was made aware of the proposal.

I am requesting that information on this proposal be added to the website, and letters sent to all of Pennsylvania's licensed kennels advising them of the proposal, and where to find it on the Website. The Department of Dog Laws should also send copies of the proposal to all of their enforcement officers, as they are fielding questions concerning this proposal without being informed.

I would like to be informed, in writing, of what will be done to keep the PA kennel owners informed.
