Dear Ms. Beusel,

Although I am not a Pennsylvania resident at the present time I have lived there in the past and own property in Pennsylvania and therefore pay property taxes.

I am very concerned about the proposed changes to the PA Dog Law Rules and Regulations. I own three dogs who are frequently boarded, trained and groomed at facilities in Pennsylvania. I use these facilities because of their excellent care for my pets. I am concerned that they could be impacted negatively if the proposed changes are adopted. Please don't.

Sincerely,

Caroline Beusel
