Dear Ms. Bender,

I am thrilled to hear of the proposed new & amended kennel regulations to help dogs which are forced to breed. I work hard to educate people to not purchase dogs (or any supplies) from pet stores which come from commercial breeders. I fully support these new regulations but ask that the sentence 'Permanent tethering can not be used as the primary closure' be included with these regulations.

I personally know hundreds of people who boycott Lancaster County, PA due to it's bad reputation of being the Puppy Mill Capital of the U.S. Making positive changes to help these animals may bring some revenue back to Lancaster County, PA. Thank you.

Respectfully,

Ms. Linda Brenner & family
