From the desk of Amy Olenczyk

TO: Mary Benner

I writing to encourage yw to
push for positive changes regarding the
puppy mill / kennel problems in our state.
Especially here in Lancaster County.
These companion animals ^{deserve} ~~add~~ to be
treated better. I support these
new changes that will provide checks
and balances so that unscrupulous
reproducers will have to change their
sys and begin to ^{TREAT THESE}
as humanely.

thank yw.
