INDEPENDENT REGULATORY
REVIEW COMMISSION

Dear Sir:

I am writing in response to the proposed amendments to the Dog Law Act 225 which was issued on December 16, 2006.

With a full understanding that the Bureau is trying to improve substandard kennel conditions, I am in FULL agreement that changes MUST occur.

I have NO problem with ANY changes that Gov. Rendell and his staff have proposed.

I sincerely urge that the new law go into effect.

Hopefully by putting this new law in action, animals bred throughout this state will be treated humanely with proper sized cages, exercise, proper temperatures in their environment, better ventilation and lighting, away from toxic cleaning detergents and for the State **DENYING LICENSES FOR THOSE CONVICTED OF ANIMAL CRUELTY AND THOSE WHO DO NOT OBEY THE LAW.**

I FIRMLY believe we MUST be compassionate and close down those breeders that only want to line their pockets with the money made from being cruel. .

WE NEED CHANGE NOW! (OH.... I OWN A KENNEL AND I'LL DO ANYTHING THAT WILL MAKE THE LIVES BETTER FOR ANIMALS THROUGHOUT PENNSYLVANIA).

Also, "Permanent tethering cannot be used as the primary closure" is NOT included in the present amendments but is important.

Thank you!!!
