*Dear Bureau of Dog law Enforcement:
Attn. Ms. Mary bender*

We wish to state the current regulations of dog laws should be kept to include dogs being able to be kept in home and grassy environments. Many breeders for strictly profit house their dogs in cold, concrete environments which should be eliminated (the puppy mills). Please encourage any legislation which will benefit all rescue groups and reputable breeders- not puppy mill type environments.

Thank you for your attention to this!

Sincerely,
Irene Smoliga
