Dear Ms. Bender:

This letter is in regard to the proposed revision of Pennsylvania Dog Law. To outlaw outdoor facilities from having grass (7 PA Code 21.24(b) – is outrageous. Pets need a grassy run both for play and training. As a pet owner, I would not want to see only dirt or a paved area at a breeder's location. Our breeder has a fabulous, large fenced in yard, which promotes running and playing for puppies and other dogs.

Thank you for hearing me on this matter.

Sincerely,

Eileen A. Stone
