INDEPENDENT REGULATORY
REVIEW COMMISSION

Dear Chairman Coccodrilli,
I Have Read over the NEW Rules.
NOT GOOD!

Here is why: In my Situation (As well as others) -

1. It would take 12 hrs. of the day.
(to walk ea. Dog 20 min. outside)

2. That would Leave Little time for:

A. Health Care -

B. Paper work that we Already do for
the existing Rules, By LAW -

C. Customer Care - for a new Puppy -

D. All Around "Love & Affection"

To All that we Care for.

3. A No Small Breed Needs to Be outside that
Long in this weather.

B. Definitely NOT Puppy's
Everybody would Be Sick!

4. we already have strict inspectors. That
keep thing going Smoothly.

Please, Let us Do Our Job!

Concerned,
Judy Himmel
