Dear Ms Bender:

After reviewing the amended Dog Law Regulations posted on the Pennsylvania Bulletin, December 16 2006, I strongly support the adoption of all of these amendments. It is imperative that regulations are strengthened and penalties become harsher in Pennsylvania in light of the horrible conditions that animals must endure in puppy mills in this state. Please act to pass these amendments and continue to review and strengthen the dog laws in PA so that these animals do not have to suffer.

Thank you for listening.

Sincerely,

Bette Fister
