Dear Ms. Bender:

It has just been brought to my attention about the bill being voted on for licensing kennels. I am a pet groomer in Northwest Pa. and am concerned about these new amendments. There is alot of concern about how this will affect groomers and after reading the bill information I am not sure if I understood all the information.

Please let me know how this will affect groomers. Most of us do not board any animals at all. Thank you.

Sincerely

Cheryl Davis
