Department of Agriculture
Bureau of Dog Law Enforcement
2301 N Cameron St
Harrisburg, PA 17111-9408
ATT: Mary Bender

The present laws are adequate. The new proposed dog laws are completely unreasonable. I realize there are some unfortunate dog situations that have to be taken care of their abuse.

If any change in the law is needed, allow a dog to be sold over an auction. All other animal is sold that way.

Mankind has a never dying soul, but a dog does not. So let a dog be a dog.

Sincerely,

Raymond Zimmerman
