

Dear Chairman Coccodrilli,
I oppose the New Rules
Set Forth!

I think it would jeopardize
the Health Care + Well Being of
the Breeders' Animals.

I Know Breeders, + they ARE
inspected By A "Strict" Dog Law
inspector on A normal BASIS.

You need to Leave them Both
Alone, So they can Continue
to do the Good work that
they Already Do Now.

Thanks for Listening.

Concerned Dog Person,

Michael C. Muller
