INDEPENDENT REGULATORY
COMMISSION

Dear Ms. Bender:

I am writing to support the proposed changes to the Dog Law Regulations of the State of Pennsylvania. Lancaster County has a high concentration of commercial kennels which in the past have mistreated dogs, keeping them in crowded unsanitary facilities where they never saw the light of day. I am very pleased that the Governor of Pennsylvania has committed to improving conditions for these animals and hope that the commercial breeders will not succeed in turning public opinion against the proposed changes by spreading false statements about the implications of the reforms.

As any dog owner knows, dogs give much love to their owners, and they deserve to be well cared for.

Sincerely

Nan Berlind, R.N.
