INDEPENDENT REGULATORY
REVIEW COMMISSION

Feb. 2007

Dear Ms. Bender,

I strongly support the amended regulations proposed by the Pa. Dept. of Agriculture.

I get so upset when I read in the paper or see on TV what these poor dogs go thru. I wonder how warm they are in this cold weather?

One arrest - 250 dogs kept in a big barn - no heat - no cooling, no windown cages piled one on top of another.

When they do arrest someone, they pay their fine and go

back to the same old way.

Do they pay their Fed tax
or State tax on their profit.
200 to 500 dogs, each have
3 to 5 puppies bringing in
anywhere from \$200. to \$500.
each. No money spent on
Vet care or shots.

I had a dog most of
my 75 years and I know
how loving and loyal they
can be.

On behalf of the dogs, I
beg of you, please try to do
something.
