Dear Chairman Coccodrilli,  
I oppose the NEW Rules  
Set forth!

I think it would jeopardize  
the Health Care + Well Being of  
the Breeders' Animals.

I Know Breeders, + they are  
inspected By A "Strict" Dog Law  
inspector on a normal Basis.

You need to Leave them Both  
Alone, So they can Continue  
to do the Good work that  
they Already Do now.

Thanks for Listening.

Concerned Dog Person,

Mike Torall
