Dear Bureau of Dog Law Enforcement:

Please do everything in your power to enact new, tougher laws to protect dogs. Any breeder, whether a puppy mill or home-based, should be strictly regulated and new tougher laws enacted. There is no reason Pennsylvania should take a back seat to this important issue.

Do not let the few breeders who testify to lessen the proposed, stricter laws. It's the breeders who you don't see or hear from that need to be regulated.

Sincerely,

Davey Sorleyich
