March 7<sup>th</sup>

Dear Ms. Bender,

Paula at Senator

Greenleaf's office gave me

your name + phone # to write

you that my husband & I

feel very strongly that

Commercial breeding kennels

& Boarding kennels are totally

different from one another, and

that the problem lies only with

the Commercial breeding kennels.

"just a line"

(over)

An increase in the board of  
kernels to consumers unfortunately  
does not solve the former problem.

There are some excellent  
boarding kernels throughout  
Pansylveria.

We do not believe they  
are the actual problem.

Sincerely,  
Sandra + Bob Trump
