Proposed Rulemaking 7 PA code CHS. 21, 23, 25, & 27

Dear Ms. Bender,

Never have I felt so threatened by a proposal. I left a 20 year career with Walt Disney World Co. to return to my home state of Pennsylvania. I invested my life savings and retirement funds to build *Maxfield Pet Resort, Inc.* Our reputation is renown in the area. The care and well-being of our Guests is foremost in all our endeavors. I invite you to tour our facilities and meet our family.

This proposal clearly was written without regards to the full understanding of all aspects of the pet care industry. Its ramifications will be tremendously detrimental to the ones we should applaud.

Regards,
