Dear Ms. Bender:

I would like to thank the Department in the proposed new rules and regulations in the dog laws. Changes are long overdue, especially in the "Puppy Mill" area. These mostly large scale, usually amish, operations are most times filthy, unhealthy and noncaring operations one could imagine.

I have no problem with the smaller well meaning breeders, however the large operations are only in it for the money. Therefore I again thank you folks and sincerely request that you make it as difficult and expensive as possible for these "Puppy Mill" operators as possible.

Thank You,  
 Oren C Sheesley
