Subject: Proposed Dog Law Changes

I have Beagles for hunting and field trialing. All the proposals I have read concerning the new dog regulations are outlandish and ridiculous. I can sympathize with the need to take a look at the puppy mill problem, but please do not let this issue funnel down to the small kennel breeders, hobby breeders and dog enthusiast.

Please consider the small kennel breeders, hobby breeders and dog enthusiasts when proposing new regulations to Pennsylvania dog laws.

Sincerely,

Carl E. Altland
