Dear Ms. Bender:

As a dog lover, I am writing to ask that you support reform of Dog Law Regulations.

It is vital that something be done to protect dogs and puppies, especially those coming from "puppy mills".

They desperately need improved standards, larger cage sizes, sanitation, drainage, and ventilation standards.

They need to have exercise daily. These are living, breathing sentient animals who need cared for properly with humanity.

This will not harm small hobby breeders, or impact dog shows or events.

Please do the right thing,

Respectfully,
Patte L Peters
