Subject: Dog Law Regulations

Dear Mr. Coccodrilli,

I totally support Gov. Ed Rendell's commitment to cracking down on the puppy mills by proposing changes to dog law regulations. I believe that the Dog Law regulations as applied to kennels should exempt all non-profit animal welfare and rescue organizations, especially non-kennel-based rescues and fosters. These life-saving groups are organized specifically to save and care for the dogs who are given up by their new families because of sickness and genetic disorders caused by bad breeding practices. I also feel that representatives from non-profit animal welfare and rescue groups should be included on the Dog Law Advisory Board to better represent the interests of animals in forming these regulations.

I hope you will lend your support in making this happen.

Sincerely,
