PLEASE stop this atrocity. I cried when I read this, as I had no idea this went on in our own country. It's one thing to breed animals so that we can eat, it's entirely another matter to breed to sale at rapid rates for a profit and treat dogs as if they are cattle. These are man's best friends, a species we have treasured forever. How can you or anyone let this continue?! I don't even agree with breeding to feed us, because I believe all mammals have feelings. We just choose to ignore them to suit our own needs.

PLEASE STOP THIS NOW

Thank you sincerely,
Tina Partlow
