I HAVE BEEN disappointed and against most of the proposed KENNEL LAWS I HAVE READ about.

THERE MUST BE SOME OTHER WAY TO REGULATE THE PUPPY MILK IN LANCASTER OTHER THAN HURTING US LAW ABIDING KENNELS.

I HAVE MORTGAGED MY HOUSE AND MANY BUSINESS LOANS IN THAT IF I HAVE TO TEAR DOWN MY PERMANENT BUILT KENNELS AND START OVER, I HAVE NO EQUITY LEFT IN MY HOME OR BUSINESS TO DO SO AND WOULD SHUT MY KENNEL DOWN.

I AM HEARING THAT MY SPRINGER SPANIEL SIZED KENNELS WOULD HAVE TO BE MINIMUM 6' X 15' = 90 sq. ft

NINE ARE 5.5 X 16 <sup>188 sq. ft</sup> WHICH WOULD BE 2 sq. ft. SHY, WOULD THAT MEAN I'M OUT OF BUSINESS CAUSE OF 2 sq. ft.?

SOME OF MY KENNELS ARE 10' X 10' = 100 sq. ft.

I SUGGEST HAVING A MINIMUM SQ. FT OF 80 SQ. FT FOR SPRINGER SPANIEL NO MATTER WHAT <sup>geometrical</sup> SHAPE THE KENNEL IS.

I ALSO LIVE OUT IN THE COUNTRY WHERE MY DOGS EXERCISE FREELY EVERYDAY AND STILL HAVING TO WALK THEM ON A LEASE WOULD BE LUDACRIST. WASHING BOWLS EVERYDAY WOULD BE FINE FOR A BOARDING KENNEL, BUT MY DOGS EAT OUT OF THEIR PRIVATE BOWLS AND GET WASHED FREQUENTLY. Michael Mikorvnek. Mich. Mikorvnek
