

Proposed Changes to Pennsylvania Dog Laws (36 Pa.B. 7596).

We the undersigned oppose the changes to the Pennsylvania dog laws as outlined in 36Pa.B.7596. We believe the changes if approved would severely impact reputable breeders, trainers, and kennel operators to the point of causing undue hardship and possible termination of business enterprises. We believe that a viable solution would be better enforcement of the existing regulations versus the adoption of more stringent regulations.
