Pa. Dept. of Agriculture  
Bureau of Dog Law Enforcement  
2301 North Cameron St.

Harrisburg, Pa. 17110-9408

Att: Mr. Mary Bender

I hope you will press upon the legislators the importance of the wrongness of these Puppy Mills in Pennsylvania.

This permanent tethering cannot be used as the primary choice for these dogs. This is an amendment that United Against Puppy Mills feels should be added and included in your comments on this puppy mill problem.

Thank you,

Sincerely Margaret S. Callen
