Re: Dog Law Regulations

INDEPENDENT REGULATORY
REVIEW COMMISSION

2007 APR 12 AM 10:24

RECEIVED

- 1) All puppy mills should be banned.
- 2) The Dog law regulations as applied to kennels should exempt all non-profit animal welfare and rescue organizations, especially non-kennel-based rescues and fosters. These life-saving groups are organized specifically to save and care for the dogs who are given up by their families because of sickness and genetic disorders caused by bad breeding practices.
- 3) Representatives from non-profit animal welfare and rescue groups should be included on the Dog Law Advisory Board to better represent the interests of animals.

Thank you
