Regulation No. 12-75 (#2580)
Department of Labor and Industry
Training and Certification Requirements for
Code Administrators Administration; Elevators
and Other Lifting Devices

On October 20, 2006, the Independent Regulatory Review Commission (Commission) received this regulation from the Department of Labor and Industry (Department). This rulemaking amends 34 Pa. Code §§ 401, 403, and 405. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This final-omitted regulation includes updates to adopt the 2006 versions of the International Code Council codes; incorporates six separate statutory amendments to the Pennsylvania Construction Code enacted between 2001 and 2006; and incorporates an amendment to the Administrative Code in 2003 relating to elevator fees.

We have determined this regulation is consistent with the statutory authority of the Department (35 P.S. § 7210.301) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Arthur Coccodrilli, Acting Chairman
