Subject: Supporting revisions to Chapter 49

Commission Members:

As a full time faculty member in the Education Dept. at Lackawanna College in Scranton, PA I would like to voice my support for the proposed changes in Chapter 49. Teachers need to receive so much information during their training that it is impossible to absorb the volume that is now expected in order to teach Pre-K to grade 8 effectively. The changes to the special education certification as well as the new upper elementary/middle certificate promise good things for children.

Please stand strong on this proposal!
