PENNSYLVANIA STATE ASSOCIATION OF TOWNSHIP SUPERVISORS

December 19, 2006

Mr. Alvin C. Bush, Chairman
Independent Regulatory Review Commission
333 Market Street, 14th Floor
Harrisburg, PA 17101

Dear Chairman Bush:

This is to inform you that we have reviewed the proposed regulations to Chapters 109 and 110 of 25 PA Code pertaining to Water Resource Planning, #7-403 (#2585) and have no additional concerns that should be brought to the Commission's attention. Although these regulations apply to our members that withdrawal in excess of 10,000 gallons per day of water over a 30-day period, most should already be in compliance due to previous requirements of the department and the water basin commissions.

Again, we appreciate the interest of the Commission and look forward to working with you and your staff in the coming year.

Sincerely,

Elam M. Herr
Assistant Executive Director
