RE: Provision of Bundled Service Package Plans at a Single Monthly Rate by Local Exchange Carriers; Docket No. L-00060179

Dear Secretary McNulty:

On November 7, 2008, the Pennsylvania Public Utility Commission ("Commission") forwarded to parties copies of the draft final rulemaking to amend Chapter 64 in the above-referenced matter in order to seek informal comment on the language contained in the proposed regulations. By notice issued on November 20, 2008, the Commission extended the deadline for the informal comments to December 5, 2008.

The Broadband Cable Association of Pennsylvania ("BCAP") previously submitted Comments and Supplemental Comments in this matter. BCAP appreciates the opportunity to provide informal comments on the anticipated final regulations. Because the issues that BCAP raised in its previous filings addressed primarily legal and jurisdictional issues, BCAP is not providing informal comments on the draft final rulemaking at this time. BCAP wishes to reserve, however, the opportunity to seek modifications or clarifications to the regulations based on the determinations contained in the Order issued by the Commission in this matter.

If you have any questions regarding this letter, please feel free to contact the undersigned. In addition, please date stamp the enclosed copy of this letter and return it for our filing purposes.

Very truly yours,

McNEES WALLACE & NURICK LLC
