Dear Ms. Steffanic:

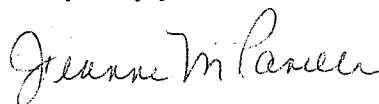

I am writing in response to the proposed Continuing Education for Professional Nurses (37 Pa.B. 1980).

I am a certified school nurse working for the Nazareth Area School District. As such I am subject to the Continuing Professional Education Act under 1205.2, the act of March 10, 1949 (P.L. 30, No. 14) known as the Public School Code of 1949.

I am requesting that the hours of education I use to fulfill Public School Code 1949, also be used as credits to satisfy the proposed Continuing Education for Professional Nurses Act.

Thank you for your consideration in this regard.

Very truly yours,

Jeanne M. Panella, RN, CSN
