STATE BOARD
OF NURSING

Dear Madam:

I strongly disagree with the Proposal Legislation ID # 16 A- 5130 (#2608). The schedule of fines are not appropriate and demeaning to the Professional Nurse. Too much regulation, that is not needed and I view this as a way to collect needless funds. I am already mandated by Pennsylvania to get Act 48 hours to maintain my educational specialist certificate. I say enough - this is a totally unnecessary piece of legislation.

Sincerely,

D. Peterson RN, BSN, CSN
