Dear Ms. Steffanic:

Regarding Regulation ID #16A-5130 (#2608):

I am a registered nurse working in the capacity of a certified school nurse for the Eastern Lancaster County School District. Certified School Nurses are required to maintain certification as "education specialists" by fulfilling professional education requirements (Act 48 credits) approved by the Pennsylvania Department of Health and the school district.

I urge you to insure that the Act 48 credits be accepted as continuing education credits for registered nurses who are Certified School Nurses.

Thank you for your time and consideration in this matter.

Sincerely,

*Jacqueline K. Hollinger, R.N.*
