Ann,

Hello. I am a certified school nurse in the Pottstown School District. I am writing to express my concern about the continuing education requirements to maintain nursing licensure. I feel we should be exempt as long as we comply with the continuing ed. requirements as written in the Act of June 29, 2006.

I hope that the State Board of Nursing will amend the proposed regulation by adding a new section that addresses Certified School Nurses.

Please forward this letter to anyone that can aid us in this matter.

Sincerely,

Kathy Perry RN, CSN
