Mr. Jim Buckheit Executive Director
Commonwealth of Pennsylvania State Board of Education
333 Market Street
Harrisburg, Pa 17126-0333

Dear Mr. Buckheit,

I understand the demands that NCLB
has placed on making individuals who
work with students either highly qualified
or to meet specific standards. What I don't
understand is why the state board does
not recognize the amount of training
and in-service paraprofessional staff I
receive now on a yearly basis. This should
be considered as meeting the requirements
set within the latest draft of Chapter 14.

Thank You
