Dear Sirs / madame:

I have worked for 10 years and found  
the Para position very rewarding.

Please consider reversing the decision to  
make 2 years a more of post secondary education  
a part of the requirement for para professionals.  
Attending Trainings during the year has  
added to my education and years of  
experience in the Classroom and good  
evaluations.

Many more spent years working with students  
as I have.

Thank you for your time in this matter  
Sincerely  
Carolyn
