Subject: State Board of Education Amendments to 22 Pa. Code Chapter 14 Qualifications for CART providers

INDEPENDENT REGULATORY
REVIEW COMMISSION

Dear Mr. Buckheit:

I am writing in support of the request sent to you by the Pennsylvania Court Reporters Association asking that the State Board of Education adopt language that would require CART providers be certified as either a Certified CART Provider, Certified Realtime Reporter, or Certified Broadcast Captioner. NCRA certification assures that those individuals who provide services to students under an IEP are appropriately qualified.

Please make certification language for CART providers a requirement under 22 Pa. Code Chapter 14.

Sincerely,

Edna M. Donovan, RMR,
President
Philadelphia Official Court Reporters Association
