Re: Proposed Chapter 14 Regulations - Special Education Services and Programs

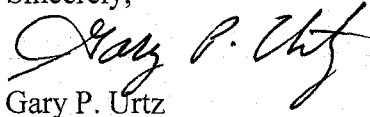

Dear Mr. Buckheit:

I am the father of a 17 yr-old Fragile-X son who receives special education instruction in the Haverford Township (Delaware County) School District. Our District is far from exemplary in the way they treat and educate their special needs population. This certainly is reflected in recent Due Process proceedings.

I am writing in strong support of the proposed Chapter 14 regulations and urge their adoption.

Thank you for your time and for your support of my son.

Sincerely,

Gary P. Urtz
