INDEPENDENT REGULATORY
REVIEW COMMISSION

Hello,

On behalf of the PAGE board, I am writing to reaffirm our support of the final form regulations for Chapter 16: Special Education for the Gifted.

Our organization has been around for more than 50 years. Our membership currently includes 850 households, approximately 200 of which are family memberships with two adults. The majority of our members also support the final form regulations.

As always, if there is anything we can do to assist you, please don't hesitate to contact me.
