Ms. Kaufman, I am a middle school Gifted Support Teacher and I am writing to express my support for the adoption of the Chapter 16 Final Form regulations. My discussions with parents of gifted children and with my colleagues strongly indicate to me that the changes in these regulations represent very positive steps toward meeting the needs of the 70,000+ gifted children in our state. These changes represent the input and effort of many different organizations and individuals who support the appropriate education of gifted children. Thank you for considering my comments, and I encourage you to adopt these new regulations. Sincerely, Charlton Wolfgang
