Regulation No. 7-416 (#2636)
Environmental Quality Board
Consumer Products

On August 29, 2007, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapter 130, Subchapters B and C. The proposed regulation was published in the September 15, 2007, *Pennsylvania Bulletin* with a 102-day public comment period. The final-form regulation was submitted to the Commission on July 18, 2008.

This regulation amends the existing provisions that limit the Volatile Organic Compound content of various consumer products.

We have determined this regulation is consistent with the statutory authority of the Board (35 P.S. § 4005) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Arthur Coccodrilli, Chairman
