Dear Mr. Chairman,

I'm writing to you today in regard to the State Board of Pennsylvania Funeral Director's proposed Regulation 16A-4816, which helps define what an "unlicensed employee can do". This regulation has been under review, debated and discussed on for the past four years.

As President of the Delaware County Funeral Directors Association, and a fifth generation Funeral Director, I fully support Regulation 16A-4816.

Sincerely,

James N. Rigby III
