Dear Chairman Coccodrilli:

I am writing to you in regards to Regulation 16A-4816 that unlicensed employees should not be able to sell preneed funeral arrangements. I am asking you as a professional to support this regulation during your next meeting. This regulation supports the integrity of my profession, as a licensed funeral director. I have done several years of schooling and professional continuing education to become licensed funeral director. I want to protect my license as it is now.

I appreciate your support of this very important regulation that could change the funeral industry, for the worse, if not passed.

Sincerely,

Thomas J. Dobrinick  
Supervisor & Funeral Director  
John M. Dobrinick Funeral Home Inc.
