Honorable Arthur Coccodrilli
Independent Regulatory Review Committee
333 Market Street, 14th Floor
Harrisburg, PA 17101

Dear Mr. Coccodrilli, (and) IRRC:

I oppose proposed regulation 16A-4816, IRRC # 2639 for, among others, the following reasons:

I truly believe that any of my employees, agents or secretaries that work under my supervision, should be openly able to discuss and present the services and merchandise that my family's business offers including pre-arranged services whether they are licensed or not.

These proposed regulations are an attempt to circumvent and ignore the federal court case, *Walker V. Flitton (2005)*.

There has been no public outcry or harm to a consumer that would demand such strict regulations.

The passing of these regulations will chill competition in Pennsylvania.

I appreciate your time and strongly urge you and the commission to **oppose** regulation **16A-4816**.

Sincerely,

Nathan Bitner
President
