Dear Mr. Coccodrilli,

I am writing you in support of Regulation 16A-4816 which regulates what an unlicensed employee can do for families in need of funeral services. As an employee of a funeral home, I see how vulnerable families are when they come to a time of need of funeral services for their loved one. I believe that the education and licensing of individuals who provide these people with a security in knowing they will be protected during such a vulnerable time and receive the care they deserve by having the accountability of an educated and licensed funeral director providing the services needed for their families.

I ask for your support of Regulation 16A-4816 and thank you for your service to the people in our Commonwealth.

Best Regards,

Tesha Wheeler
