Dear Chairman Arthur Cocco drilli,

I am writing to you for your Support of Regulation 16A-4816. I have been in funeral service for over 18 yrs. Through that time I have experienced the damage done by salespeople selling funeral goods & services. They do not tell the whole story. Funeral Service is not just a job, it is a part of my life. Our job is to complete the relationship with the person who has died. I don't think a sales person can have the ability to do this.

Sincerely

Michael Good
