Dear Chairman Coccodrilli:

I am writing to request your support of Regulation 16A-4816, which would prohibit unlicensed employees from selling preneed funeral arrangements.

I have heard from funeral directors from my district and across the Commonwealth who have completed schooling and professional continuing education to become licensed funeral directors. Your support of Regulation 16A-4816 would protect the integrity of their profession as licensed funeral directors.

Thank you in advance for your attention in this matter.

Respectfully,

Vincent J. Hughes
