Independent Regulatory Review Commission

RE: State Board of Funeral Directors Final Regulation #16A-4816 (IRRC # 2639)

Dear Chairman Coccodrilli:

I am writing to convey my concern that the State Board of Funeral Directors have largely ignored the comments made by the House Professional Licensure Committee in a letter I sent on November 14, 2007, as chairman of that Committee.

I urge IRRC to respectfully request that the Board again review those Committee comments and directly answer each one before taking final action on this regulation.

Thank you for your consideration of this matter.

Sincerely,
