INDEPENDENT REGULATORY
REVIEW COMMISSION

Dear Chairman Coccodrilli:

I write to inform you of the interest expressed in the Commission's approval of Funeral Directors Final Regulation 16 A-4816 by a number of my constituents. You undoubtedly know that the House Professional Licensure Committee did not consider the regulation, nor its companion regulation 16A-4815 and that, without such approval or disapproval, the regulations will be deemed by the Commission and the Funeral Board as approved by the Committee.

Subsequent to the Commission's disapproval of Regulation 16A-4815, I know that the Funeral Board now has a further period of time to resubmit amended or unchanged final form regulations - or may withdraw them. Depending on the Board's eventual action, I am confident that the Commission will give all due consideration to the final form regulations as submitted.

Thank you for your attention to this matter.

Sincerely,
Bill DeWeese
50th Legislative District
The Majority Whip
